

3b. Emerging Technologies In Ultrasound Toys For Boys Or Standard Of Care?

Time	Program	Speaker
08.00 - 08.30	Registration	
08.30 - 08.45	Prayer & Welcome Address	
08.45 - 09.00	Scope of the workshop	Dr Suresh S

Mentors: Dr Nitin Chaubal, Dr Jyoti Chaubal, Dr Rajas Chaubal, Dr Ch Narayana Rao

09.00 - 10.00 Session 1

09.00 - 09.50	Newer transducers - making a difference
09.50 - 10.00	Artificial intelligence in Ultrasound - From bench to bedside

10.00 - 11.00 Session 2 - Elastography

Understanding the Technology
Clinical applications
Live demo including reporting
Liver, Thyroid, Breast, Cervix

11.00 - 11.30 Coffee Break

11.30 - 01.00 Session 3 - Contrast Ultrasound

Principles of contrast ultrasound - Clinical applications
Intravenous contrast - Abdominal lesions
Intravenous contrast - Pelvic lesions
Sonosalpingography - Hycosy
Sonosalpingography - Saline

13.00 - 14.00 Lunch

14.00 - 17.15 Session 3 - HANDS ON

14.00 - 17.00	Specific technologies 5 stations - Delegates move to each station - by rotation
17.00 - 17.15	Wrap up
